history.

STATEMENT:
It’s been a privilege to serve Chugiak-Eagle River and JBER
as your representative. I’m seeking re-election so I can keep
working on Alaska’s toughest challenges.

As a lifelong Republican and conservative, I value limited
government, strong national defense, individual liberty,
and faith in God. As a 24-year Alaskan, I cherish our state
and want to provide opportunity and prosperity for future
generations.

- My top legislative accomplishments include:
- Creating a veteran’s designation on state driver’s licenses
 - Letting home-school and alternative school students
play sports or participate in other interscholastic
activities at their local public high school
 - Securing funds for a new Chugiak Volunteer Fire and
Rescue fire station, and for local roads, bridges and
schools
 - Helping authorize “military facilities zones” to make
Alaska’s bases more economic
 - Ensuring health insurance covers services for autistic
children
 - Successfully lobbying the U.S. House and the National
Conference of State Legislatures for bills and policies
supporting oil development in ANWR

- There’s more to be done. If re-elected, I will keep working to:
- Reform oil taxes to keep Alaska competitive
 - Create jobs and opportunity through responsible resource
development
 - Secure reliable, affordable energy for Alaskans
 - Champion military personnel, veterans and their families
 - Defend Alaska against federal overreach
 - Support families with good schools, safe neighborhoods
and decent roads

I pledge to work hard, listen carefully, and represent you with
energy and integrity. I’d be honored to have your vote.
